A National Organization of Home Economists and Allied Professionals in the Philippines  
Member: International Federation for Home Economics (IFHE) & Asian Regional Association for Home Economics (ARAHE)

## **The PHEA Apprenticeship Program**

**Apprenticeship is not merely to belong. It is but to focus one's efforts on serving others and the Association. An apprentice who is committed shifts focus from "me" to PHEA. An Apprentice develops relationship and wins PHEA members, coordinators and the Board of Directors over with genuine care and concern. That shift in attitude creates a favorable change in both PHEA and the members. A mantra that "Apprenticeship is an opportunity to serve.", is a guide to every aspiring Apprentice to significantly raise the bar of excellence of PHEA.**

## **The PHEA Apprenticeship Program**

**The purpose of the PHEA Apprenticeship Program is to train a PHEA Life Member in gaining knowledge, skills and behaviors relevant to the systems and procedures of the Association. A PHEA Apprentice assists in the over-all operations of the Association and is expected to deliver exemplary results. After serving as an Apprentice for six (6) consecutive years, the Apprentice may be promoted to the level of National Coordinator upon the evaluation and recommendation of the Board of Directors.**
